April & May 2026

UCA Leadership: Founder Jewel Ramirez and Vice President Victoria Owens leading the way for the UCA Hite House Transitional Living Program.

TRANSFORMING LIVES THROUGH COMMUNITY SUPPORT

Over the course of April and May, we hosted our Mother's Day Raffle Fundraiser dedicated to supporting the **UCA Hite House Transitional Living Program**. Through the widespread generosity of our community members, organizational partners, and passionate volunteers, we are successfully turning vision into concrete reality—one vital need at a time.

Every contribution directly strengthens our capacity to provide structured, safe, and empowering environments for individuals transitioning into sustainable independent living. We extend our deepest gratitude to everyone who participated, shared, and invested in our mission.

Impact Deliverables

Because of your collective support, 100% of the proceeds have been allocated to secure critical, high-priority residential necessities for the home:

- Non-slip bathroom floor mats
- Complete sets of luxury towels and linens

Establish regular recurring or single monetary donations directly online.

STRATEGIC JUNE HORIZONS

As we wrap up May and look ahead into June, United Community Academy is focusing heavily on organizational scaling, institutional development, and broader outreach. Our milestones include:

- **Digital Mobilization & Giving:** Launching charity donation applications across Facebook and Instagram platforms to lower barriers for digital giving and expand our donation base.
- **Grant Infrastructure Expansion:** Submitting a targeted portfolio of state and private foundation grant proposals to secure long-term operational funding stability.
- **Programmatic Community Presence:** Increasing local footprint and face-to-face outreach events to align UCA resources with families in immediate transition.
- **UCA Hite House Expansion:** Launching 501(c)(3) applications on social platforms to scale programmatic fundraising specific to the home's operational growth.

"Together, we are not just building a house... we are building futures."
